February 7, 2020

Dear Commander Golfers:

It has been a tough start to 2020 for all of us here at Commander, not just with what appears to be another long Minnesota winter, but on January 1st, we also lost our friend, Paul Gabel. As many of you know, before his recent and sudden passing, Paul was a fixture here at Commander for nearly 30 years. And putting together this golf tournament annually was always one of the highlights of his life. And although we are heartbroken over his passing, we are also particularly focused on the fact that the "show must go on!" So planning the 2020 Commander Golf Tournament has a particularly special meaning for our Commander Family this year.

Our golfing weekend this year is April 24th through April 26th, with the actual **Tournament being Saturday, April 25th**. The price of your shared golf cart on Saturday is included in your entry fee, and **please have all entries for the tournament submitted in advance by Monday, April 13th, 2020**. As we always point out, this deadline greatly helps clear up all the uncertainty over the tournament numbers for our shirt orders, number of dinners for the Commander Restaurant staff, and number of golfers for the golf course personnel. We are still happy to help incomplete teams find additional players, or replacement players for cancellations, all the way up to the tournament date, but we do deadline entry dates in order to know who's coming.

PLEASE NOTE: the non-refundable part of the tournament is only after it starts. (i.e. rain, cool weather, etc.) WE ALWAYS HAVE REFUNDED EVERY ENTRY DOLLAR IF THE TOURNAMENT IS COMPLETELY CALLED OFF BY THE GOLF COURSE. No one needs to fear not getting their money back if the tournament is called off.

Our breakfast business is still going strong, so join us daily for breakfast beginning at 6:30AM. **We also continue to be excited about new players in 2020!** There is always room for more teams. **Crow Wing Auto Body** has again offered to sponsor a **\$200 prize for Best Dressed Team in 2020**, so please consider that option, as your team prepares for play on Saturday for the tournament.

1. The **per person entry fee for 2020 remains \$125.00**, which includes: the weekend of golf, your shared cart on Saturday, a Commander Golf Shirt, the Saturday evening dinner, prizes, and much more.
2. Breezy Point Resort has scheduled **play for the three days on the Traditional Course, which is included in the entry fee**. Discounted play on the Whitebirch Course will be available Friday and Sunday at \$35.00 per person for 18-holes with cart. **Contact the golf course at (218) 562-7166 for your practice round tee times on Friday or additional play on Sunday.**

3. The **Registration Form and Team Entry Fee of \$500.00 is due by Monday, April 13th**. We will also accept advanced team entries with a \$200.00 non-refundable deposit, but your team will need to be paid in full before beginning golf on Friday. Saturday tee times and golf shirts for your players will be available on Thursday evening, or Friday, at the Commander.

The Leisure Suites special rate sheet for the golf tournament is also available to all golfers on a first-come first-serve basis. Our golf weekend is usually also a busy convention weekend at the resort, so make your reservations early. And as always, any other questions can be directed to us at the Commander (218) 562-4198. Jodi has taken on the full Restaurant General Manager job now, so you can also reach Jodi by email at jodi@commanderbar.com.

We look forward to seeing you soon!
